

## Buy a Brick to Save a Life in our Community

Giving Blood & Blood Products is the gift of life. Contributions to your community Blood Center will permit us to upgrade the capacity & the technology to meet the growing regional demand for Blood. The current facility is now aging, and it has reached the limits of usefulness.

The Northwest Florida and Southeast Alabama areas are growing in population at an astounding rate, and the need for our services grows each year. The existing 40+ year old facility needs to be replaced very soon, and now you can help with your donation of greatly needed funds to support the building project.

Please be a Part of the Solution

Attractive walkways will commemorate your donation

### Our Mission

The Northwest Florida Blood Center was established in 1948 as the Escambia County Blood Bank. The Blood Center changed its name in 1978 to emphasize better the community it serves. The Blood Center is governed by a board of directors composed of volunteer representatives from the community. The Blood Center's purpose is to provide the highest quality and safest possible blood for use by the sick and injured on an efficient, cost effective basis.

The Blood Center is licensed as a blood center by the Federal Food and Drug Administration and the Agency for Health Care Administration of the State of Florida, and is accredited by the American Association of Blood Banks. A copy of the official registration and financial information may be obtained from the division of consumer services by calling toll free 1-800-435-7352 within the State. Registration does not imply endorsement, approval, or recommendation by the State.

The Blood Center collects blood only from volunteer donors. There is no financial incentive for donating.

## Capital Fundraising Program Information for Your New Regional Blood Center Complex

Building the foundation of your new and Improved Regional Blood Center for Tomorrow — Today

Everyone can have a part in the construction & renewal of this critical community resource.

Telephone: (850) 434-2535 or (850) 473-3853

## Program Specifics

Please call today for more information, & to obtain a donation form. **We need your help**

The buy-a-brick program has been designed to enlist the community to participate in the capital fundraising campaign.

There are multiple ways that you can contribute to the program. Your contributions are needed to assist with the building of your new community Blood Center facility.

Without the assistance of the community, this long-needed resource will not become a reality. The Buy-a-Brick program provides everyone with a lasting way to commemorate their contributions with a permanent memorial to their much-needed gift.

Your gift will purchase items to be engraved with your name, organization, or well-wish. They will become a part of walkways, memorial plaques, named areas of the facility, and more. All will be prominent displays for your generosity, and be viewable by everyone for many years to come.

You can be a part of the construction of the new Blood Center that today supplies life-giving blood & blood products to over 20 hospitals in the Northwest Florida & Southeast Alabama region. Over 200,000 blood donors have been giving the gift of life to our area for over 55 years. Now, everyone can assist in the construction of a new regional processing facility to continue this support in the future.

## Contribution Levels & Memorial Gifts

### Named wings within the facility \$100,000

*The name of an individual or business will be assigned formal designation in honor of the benefactor. 5 wings will be designated in this manner.*

### Named rooms within the facility \$25,000

*The name of an individual or business will be assigned formal designation in honor of the benefactor. It will be prominently displayed at one of 10 rooms.*

### Cornerstone \$10,000

*10 Cornerstones will be engraved and may be in the building, or on the grounds of the new facility.*

### Paving Stone \$3,000

*Paving stones are larger than bricks, and can be engraved with the name of your choice. The number of available paving stones will be determined by your support.*

### Inside wall presentation brick \$1,000

*Inside wall bricks are bricks that make up part of a wall within the facility. The number of wall presentation bricks will be determined by wall-space availability.*

### Walkway Brick \$300

*Walkway bricks are engraved presentation bricks that are used to make decorative walkways on the grounds. The number of walkway bricks will be unlimited.*

### Engraved Metallic Nameplate \$100

*Engraved metallic nameplates will be affixed to presentation boards & mounted throughout the facility or on mobile units. There is no limit to nameplates.*

### Entry into the Electronic Registry of Donors \$50

*An electronic registry of the names of benefactors & businesses will be created and posted to our web site.*

Your lasting contribution to this huge effort is greatly needed. You can be a part of this program very easily by calling the main center, or one of our branches listed below for more information.

You can also obtain a donation form by stopping by one of our locations.

#### Main Pensacola Center
