

The new complex is near the Baptist Medical Park on Nine Mile Road in the northwest corner of the greater Pensacola area and will serve the region for many years to come. Now, we need you.

Without your help it will not be possible.

The processing fees recovered from blood and blood products only cover the costs associated with the collection, testing, and delivery of those items to patients in our regional hospitals. Any proceeds that are left over assist with maintaining equipment, and are used to purchase new technology items in support of the medical needs of our hospitals and patients. The Northwest Florida Blood Center is a not-for-profit organization. Your donation is tax deductible and will enhance lives in our community. A copy of the official registration and financial information may be obtained from the division of consumer services by calling toll free 1-800-435-7352 within the State. Registration does not imply endorsement, approval, or recommendation by the State.
